Clock Solutions By Valcom!

Introducing Valcom's New Line of Digital Clocks and Accessories

Valcom's digital clocks are available with 2.5" or 4.0" easy to read 4 digit display.

Each has a specially molded anti-glare bezel which gives the digital clock a smooth, clean look.

All digital clocks are available in either 24Vdc or 110Vac.

**CAT 3/5/5e/6
Low Energy
Circuits**
